ORDER

14 This closed habeas matter is before the Court following upon a letter (#17) by petitioner.

15 Petitioner is mistaken that the Court of Appeals has granted petitioner permission to file any
16 further papers either in this action or in the prior proceeding in the Court of Appeals. The Ninth Circuit
17 instead denied petitioner permission without prejudice to pursue a second or successive petition, and
18 the Court of Appeals directed that requests for reconsideration would not be entertained in that matter.
19 If petitioner seeks permission to pursue a second or successive petition, he must file his papers in an
20 entirely new proceeding in the Court of Appeals, not in this Court.

21 IT THEREFORE IS ORDERED that the Clerk of Court: (a) shall send petitioner a copy of #15;
22 (b) shall designate petitioner as a restricted filer on the docket sheet; and (c) shall return unfiled all
23 further papers submitted by petitioner in this matter other than a notice of appeal from this order. A
24 certificate of appealability is DENIED. This action has been, and remains, closed.

25 DATED this 11th day of July, 2014.
